The quiet art of reading

Folio acceptance test: real selectable PDF content.

A good book is a conversation that continues after the last page.

Highlight this sentence and leave a thought beside it.

A place for your thoughts

Search marker: serendipity lives between the lines.

Local annotations preserve the original PDF document.

Page two is used to verify reading progress restoration.

Begin again

The end of a page is the beginning of another idea.

Test marker: offline-first reading and reliable persistence.

Thank you for reading.
